

DEMONSTRATION

SOLIDARITY WITH

REFUGEES!

- ▶ The Berlin government is about to extend the refugee camps in the former Airport Tempelhof and to undermine a referendum that prohibits construction on the Tempelhof field.
- ▶ The situation in those lagers is already catastrophic.
- ▶ Overturn of the democratically made Tempelhof-Law paves the way for luxury housing.

NO WAY!!!

Our Demands:

Abolish Lagers!

Proper Accommodation for refugees!

Affordable housing for all!
